Let Your Goddess Grow! is an enlightening book on empowering women of all ages. From tips on defining who you are to knowing your true self, you are led to live an authentic life. Quotes from successful women are shared throughout the book as an added boost to encourage the goddess in every woman.

Learn how to get what you want, and answer the questions in the book to guide you along the path of empowerment and an enriched life. This is a provocative book that is at once a workbook and a textbook. Whether you are going through pain or a confusing and difficult time, Charlene M. Proctor offers a positive way of being that leads to empowerment. From developing prosperity to taking more responsibility for life, or dealing with a hectic day, you are guided to immediately apply the knowledge in this book. Build self-worth with the help of affirmations and learn ancient women's use of intuition, one of women's best talents. Affirm, attract, and share while you learn about the spiritual and mystical union of masculine and feminine principles. Learn about your emotions and women's creative aspect.

Valuable inspiration is shared, when it comes to women and the merging of both the male and female principles in all of us. Gain insight into woman power and man power. Gain knowledge about applying your goddess power in the workplace and merging female and male aspects for a more balanced life. Revive the goddess in you, accept your feminine power, and grow more balanced and empowered. *Let Your Goddess Grow!* is a practical, insightful, inspiring and revealing book that encourages every woman to live a more powerful life.
